

Sprint 3 Report

Product: Take that for Data

Team: Take that for Data

Date: 3/4/18

Action Stop Doing:

- Stop missing scrum meetings

Action Start Doing:

- Start Unit testing

Action Keep Doing:

- Discuss more on the project
- Continue communicating well on slack

Work Completed:

- **User story 1:** As a scout, I need a way to log if the player scored or missed the shot, so that I can collect data to calculate their success rate
- **User story 3:** As a scout, I want to be able to use a shot chart to log statistics in real time.
- **User story 7:** As a user, I want to be able to use an interactive box score.

Work Not Completed:

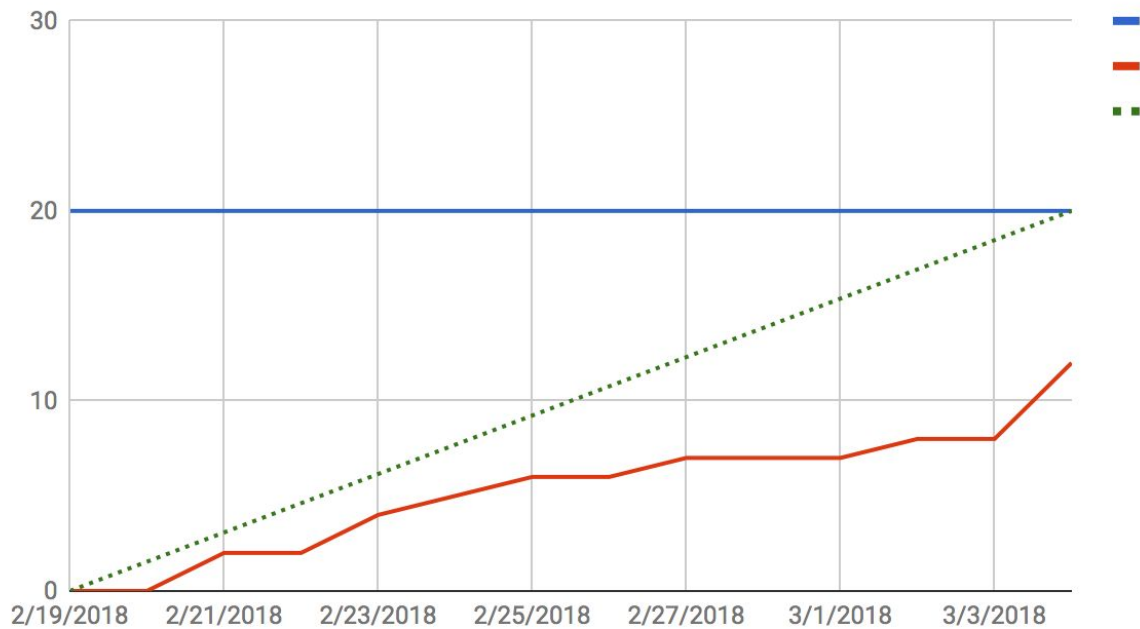

- **User story 2:** As a scout, I need a way to remove the shot/miss if I incorrectly input the data.
- **User story 4:** As a team member, I want to be able to view my team's statistics.
- **User story 5:** As a team member, I want to view team shot charts.
- **User story 6:** As a team member, I want to view individual player's shot charts.

Work Completion Rate

- User stories completed: 3
- Total number of ideal work hours completed: 14 hours
- Total numbers of days: 14
- User stories per day: 3 user stories per 14 days = 0.214 user stories per day
- Ideal work hours completed per day: $14/14 = 1$ hours per day
