Take that for Data! Release Plan

High Level Goals:
- Login as a team or a scout
- Scouts record the stats of their own team real-time using an interactive shot chart and box score
- Advanced stats are automatically calculated
- Stats are logged in a persistent database
- Teams are able to view stats of their own team, as well as other teams in the database
- Scouts are able to upload game clips
- Teams have their own message boards

Sprint 1:
- As a user I want to be able to create an account as a team member or as a scout and login
- As a user I want a clean interface that is easy to navigate
- As a user I want to be able to write on a message specific to my team

Sprint 2:
- As a user I want to be able to use an interactive shot chart
- As a user I want to be able to use an interactive box score

Sprint 3:
- As a user I want to have advanced stats calculated
- As a user I want to be able to view the team's stats and shot chart
- As a user I want to be able to view other team's stats
- As a user I want to be able to upload game clips
